Hello Jacek Jakub!

Welcome to Vimeo! You have just joined the best site in the universe to upload and share the videos you create. We're glad you're here! Before you start uploading videos and exploring Vimeo's amazingness, we just need to confirm that you are a friendly human and not an evil robot:

Complete Your Registration

Once your registration is complete, see how you can start using Vimeo by reading the [Vimeo Basics](#), get familiar with our friendly atmosphere by reading the [Community Guidelines](#), find inspiration in our [Staff Picks](#), and learn how to [compress your video properly](#) before you upload it.

In no time, you'll be a Vimeo virtuoso! And when you're ready to unlock the full power of Vimeo and enjoy life-altering benefits like more upload space, HD embedding, advanced statistics, and mobile support for your videos, you can upgrade to [Vimeo Plus](#).

1. CLICK ON "UPLOAD A VIDEO" BANNER

The screenshot shows the Vimeo website interface. At the top, there's a navigation bar with the Vimeo logo and links for Me, Videos, Create, Watch, Tools, Upgrade, and Upload. A search bar is also present. Below the navigation bar, a welcome message reads "Welcome home, Jacek Jakub" followed by a paragraph about a staff post. A horizontal menu contains "My Feed", "My Videos", "Watch Later", "Discover", and "Activity". Below this menu, there's a "Show:" filter with options: All, Likes, Uploads, Appearances, Channels, Groups, and Tags. A green notification box says "Hey Jacek Jakub, welcome to your Feed!" with a close button. Below the notification, a blue banner promotes "10x more storage, unlimited HD videos, and full player customization" with a "Get Plus" button. On the right side, a dark blue button labeled "↑ Upload a video" is highlighted with a red arrow. Below this button, a light blue box promotes "10x more storage space, unlimited HD videos, and no banner ads" with a "GET PLUS" button. At the bottom, there's a "WHAT'S NEW" section with a post titled "Submit to the Disposable Film Festival!" and a video player with "LIKE" and "LATER" buttons.

Just a warning...

We have some recommendations for this video:

- This video's datarate is 15999kbit/s, which is pretty high. For HD video, we suggest you use a lower datarate, typically 5000kbit/s. A lower data rate means smaller video files and faster uploading. [Learn more about our recommended HD settings.](#)
